The Legislature of Georgia, under the last reconstruction dodge of President GRANT and Congress, assembled at Atlanta on Monday. The scenes enacted during the partial organization on that day were the most exciting and extraordinary ever known in the organization of a legislative body in a free government.

Governor Bullock appointed one J. G. W. Mills, a rank extremist and a trusty henchman of the "ring" as Secretary pro tem of the Senate. All the bunsby regulations issued by that ancient fossil Delano are not applied to the West, but are intended for Philadelphia almost entirely. There are only two distilleries in operation here now and they will stop. One distillery was ready to start, having complied with every unreasonable and illegal order, and when there was no other peg left to hang a hat on, permission to start was refused on the ground that fraud was suspected and his in the face of the facts of capacity be ing doubled, meters, storekeepers, guag ers, Assistant Assessors and detectives on the alert, and everything that ingenuity could suggest for harassing and distress ing producers. The above is true to the letter with regard to the whiskey with regard to internal revenue and tariff until it seems to be the sole aim and end of our government to foster and protect monopolies. Delano has decided to transfer guagers from one distillery to another, as provided in Sec. 49, act of July 20, 1868. They are to remain in charge of the distilery about three weeks when they will be relieved. The Commissioner expect their detailed application in each locality wife's relations in office.
